

SNOW-SCATS SNOWMOBILE CLUB

The Snow-Scats snowmobile club originated in 1972 in Pickett, WI by a group of friends who decided they wanted to become more organized to share their enjoyment of snowmobiling with others interested. The name supposedly came from a friendly argument between two brands of snowmobiles, Ski-doo & Arctic Cat, and they came up with "Scat". So the club was named Snow-Scats.

Our club is a family oriented club and does many fun activities through out the year, such as our Landowner appreciation dinner, Annual sports raffle, Christmas party, Poker run, Club ride up north and a bowling party. We also have recently organized a youth club for our young adults. Our club marks and maintains approximately 23 - 25 miles of trails in the south central region of Winnebago Co. The trails are groomed by a neighboring club. The Snow-Scats also has very good representation at the County and State snowmobile association level.

We meet for monthly meetings, September through April, on the third Friday of the month at 8:00 pm at the Utica Golf Club.

New members are always welcome and we hope you will join us!
